September 9th, 2019

Dear Prospective Sponsor,

The Copper City Queens, Inc. is Butte's own amateur women's flat track roller derby team. We are a non-profit organization run with the support of many volunteers. Our mission is to empower individuals to realize personal growth through healthy competition, community involvement, and respect for the unique attributes of each individual member. We are recognized in Butte and surrounding communities as positive role models by living our mission. We demonstrate respect for ourselves, respect for others, and respect for our community. The Copper City Queens strive to fulfill our mission by actively engaging in community service.

Our team has traveled to many cities in Montana, Idaho, Wyoming and Washington to play roller derby and represent Butte, Anaconda, Deer Lodge and Whitehall. During the 2018/2019 season we hosted three home bouts (games) allowing us the opportunity to compete in front of our local fans and host the second Continental Derby Divide Tournament. We invite you to join us as we celebrate the start of our 6th year of being part of the community.

Our team has been committed to keeping this growing sport in Butte, Anaconda, Deer Lodge and Whitehall. The sport of roller derby will continue to grow in popularity and sponsors are vital to ensuring our ability to bring more roller derby action to fans in Southwest Montana. We are confident that your sponsorship with CCQ will provide your business with exposure to a unique and growing market. Your generous contribution will help us with expenses for space rental, safety equipment, uniforms, travel expenses, and bout production costs.

We ask that you consider supporting us on our journey. Your sponsorship is greatly appreciated and valued, whether it is a unique business contribution, an advertisement for your business or a dollar amount. You can access our sponsorship page at our website www.coppercityqueens.com.

We are proud to play roller derby for Butte and its surrounding cities!

Thank you kindly for your support,

Copper City Queens
